INDEX TO VOL. VII.

Absolute Attraction of Matter.....177
Acoma, Visit to the Pueblo of 490
Aesthetic Hour with my Herbarium.....199
Address by Chief Justice Waite..... 2
Age of Missouri River..... 25
Age of the World.....599
Agricultural Botany..... 293
Alexander, W. W., Astronomical Notes, ...302, 355, 435, 591, 763
Alexander, W. W., Celestial Phenomena for April, 1884.....763
Alexander, W. W., Manner of Calculating True Time 44
Alexander, W. W., Manner of Calculating Time Observations.....174
Alleghany Portage Road in 1853.. 540
Altar Mounds, Exploration of..... 32
America, Early Man in.....344
American Association for Advancement of Science.....284
Ancient Ruins of Sonora..... ...375
Anthropological Studies, Value of.....288
An Aztec Calendar.....669
Animal Mounds in Wisconsin.....664
Ancient and Modern Glass of Muraño....233
Ancient Man..... 38
Ancient Races of Mississippi Valley.....593
Anti-Cyclonic Storms.....184
Arlburg Tunnel.....635
Arnold Guyot, Death of... 708
Archæological Discoveries in S. A..... 35
Archæological Discoveries in Illinois.....117
Archæological Discoveries in New Mexico.....614
Archæological Discoveries in Arizona....667
Arctic Relief Expedition of 1883.. 207
Artificial Stone as Building Material....420
Asbestos and Its Applications... 437
Astronomical Notes 1883.....302
Asphaltum Pavements.....272
Association Notes, British. 461
Atchafalaya Outlet.....117
Atchafalaya, The.....159
Aztecs, The.....751
Baconian Philosophy.....261
Bailey, E. S. H., Manufacture and Durability of Roofing Slate.....679
Bailey, E. S. H., Kaw Water at Lawrence..603
Beds of Texas, Triassic..... 616
Bell, Dr. S. B., Visit to the Afflicted Cattle Region of Kansas 772
Berthoud, E. L., First Geological Survey of Louisiana 679
Berthoud, E. L., California in Old Maps.114
Berthoud, E. L., the Aztecs..... 751
Boehmer, Electrical Phenomena on Pike's Peak.....396
Botany, Agricultural.....298
Bottled Sunshine..... 314
Book Notices....51, 124, 193, 250, 307, 380, 443, 502, 577, 639, 700, 744, 768
Attitude of Mankind, The Upright... 753
Bowers, Rev. Steven, Relics of Santa Barbara Indians 748
Brown, R. W., On Memory. 616
British Association.....461
Broadhead, G. C., Old Maps..... 56
Broadhead, G. C., Flint Chips.....599
Broadhead, G. C., Explorers of N. A.....407
Broadhead, G. C., Letter from Pleasant Hill.....430
Broadhead G. C., Steatite Quarries and Utensils..... 188
Cable R. R. of Kansas City.....468

Cable R. R. in Various Cities.....467
Calendar, An Aztec.....669
California on Old Maps.....114
Case, Ermine, Jr., Museum of Naples.....389
Case, T. S., Geological Survey of Leadville Mining District.....280
Case, T. S., Glowing Skies of November and December, 1883.....564
Case, T. S., Letter from Chihuahua.....104
Case, T. S., Letter from New Mexico.....155
Case, T. S., Loss of the Proteus.....369
Case, T. S., Report of Proceedings of A. A. A. S. at Minneapolis.....284
Case, T. S., Street Pavements.....543
Case, T. S., The Kansas City Tornado....121
Case, T. S., Total Eclipse, May 6, 1883....242
Changing the Color of Flowers by Cultivation.....383
Chanute, O., The Sewerage of Kansas City.519
Chemical Elements, The.....416
Child, A. L., Gun-Flints, Arrow-Heads, Etc.....573
Child, A. L., Concentric Rings of Trees...368
Cholera, Some facts Concerning.....254
Circular to County Surveyors in Kansas..706
Climate of Kansas.....691
Cliff-Dwellers of Colorado and New Mexico.....221
Coal, The World's Supply of.....727
Coal, The Kansas.....700
Cooper, J. C., Recent Archæological Discoveries in New Mexico.....614
Corona, The.....352
Concentric Rings of Trees.....368
Comet of 1812, Reappearance of.....498
Comparison of Strength of Large and Small Animals.....514
Comparative Value of Different Coals....213
Conditions Most Favorable to Vegetable Activity..... 40
Correction of Eclipse Table.....359
Crimes and Criminals..... 67

Dawson, Wm., Astronomical Notes for 1883.....47, 99, 176, 241, 305, 358, 431, 497, 569, 596
Dawson, Wm., Eclipses from 1800 to 1900.197
Dew, A New Theory of.....628
Death of Dr. Geo. Engleman.....707
Death of Prof. Arnold Guyot.....708
Deep Sea Fishes.....583
Distribution of Coleoptera of Kansas.....733
Distribution of Shells, Notes on..... 22
Divining Rod, The.....685
Dramatic Profession, The.....127
Douglass, S. J., Old Man of Hoy..... 645

Earliest Use of Iron, The.....722
Early Man in America.....344
Early History of Telegraph, The.....681
Eclipse Table, Correction of.....359
Eclipses from 1800 to 1900.....197
Electric Telegraph, The First.....473
Electrical Phenomena on Pike's Peak.....396
Electrical Phenomena in Idaho..... 551
Editorial Notes.....63, 129, 196, 257, 323, 386, 449, 517, 583, 647, 709, 774
Elements of French Literature.....512
Evidence for Evolution, with History of Extinct Mammalia.....299
Explorations in Louisiana, First Geological.....379
Explorations in North Oregon.....674
Explorations in Judith River Group.....326
Exploration of Altar Mounds..... 32
Explorers of Western America.....407

First Electric Telegraph, The.....473
First Geological Exploration in Louisiana.....679
Flint Chips.....599
Florida Ship Canal, The.....268
Fossil Fields of Southern Oregon.....596

Gas from Sawdust.....448
Gatschet, A. S., The Swiss Earthquake of 1881.....680
Genesis of Native Copper, The.....457
Geological Lesson, A.....670
Geological Explorations in Northeast Oregon.....674
Geological Survey Leadville Mining District.....280
Geological Guide to Mining Prospectors...295
Geological Exploration in Louisiana, The First.....679
Geological Survey for 1883.....436
Geysers of California, The Pluton. 457
Glacial Period above Cincinnati, The.....295
Glacial Period of Illinois.....219
Gladstone, J. H., Chemical Elements.....416
Gilham, Robert, The Cable Railway of Kansas City.....468
Glowing Skies of November and December, 1883.....564
Greek, The Study of.....255
Gun-Flints, Arrow-Heads, Etc.....513
Gunnison County, Col., Geology of.....440
Gunnison County, Col., Rolling Mills.....271
Guyot, Prof. A., Obituary Notice of.....708

Halley, Prof. George, Crimes and Criminals..... 67
Hallowell, J. K., Genesis of Native Copper.....457
Hallowell, J. K., Gunnison County, Col..440
Heath, Dr. Ivon D., Report on Panama Canal, Translation of.....267
Heath, Edwin R., Uncommon Diseases of Peru and Bolivia.....150
Higdon, J. C., M. E., Improvements Patented.....510, 582, 637, 704, 773
Hints Regarding Tornadoes.....359
Historical Department of Johns Hopkins University..... 384
History and Origin of Money.....316, 380
History of Railroads in Missouri.....167
Holmes, Miss Mary E., An Aesthetic Hour with My Herbarium.....190
Hydraulic Elevators and Motors.....140

Illinois, The Glacial Period in.....219
Illinois, Archæological Find in.....111
Improvements Recently Patented.....582, 510, 637, 704, 773
Improvements in Village Architecture...147
Improvement of Pasture Lands of Far West.....186
Infectious Diseases.....691
Insects and Colored Flowers.....546

Jones, B. F., Hydraulic Elevators and Motors.....140
Judith River Group, Exploration of.....326

Kansas Weather Service, 54, 120, 183, 249, 306, 364, 442, 500, 575, 627, 695, 757
Kansas Academy of Science, The....527, 698
Kansas City Fossils.....113
Kansas City Tornado.....121
Kansas Fish Commission, The Work of..315
Kansas, Lead and Zinc Region of 330
Kansas Minerals.....335
Kaw Water at Lawrence.....603
Kepler's Third Law 693
Knight, W. B., Street Pavements.. 630
Knowles, E R., An Element of French Literature.....512
Knowles, E. R., Pere Hyacinthe and Catholicism.....217
Knowles, E. R., The Public School Problem.. 19
Knowles, E. R., The Dramatic Profession.127
Knowles, E. R., Nature and Existence of Matter.....223
Knowles, E. R., Spiritus Mundi 316
Knauss, Warren, A New Mineral to Central Kansas 602
Knauss, Warren, The Coleoptera of Kansas.....733

Larkin, E. L., A Colossal Engine at Work for Man..... 96
Larkin, E. L., Absolute Attraction of Matter.....177
Larkin, E. L., Kepler's Third Law 493
Larkin, E. L., The Sun's Corona..... 352
Larkin, E. L., Velocity.—I 764
Lake-Dwellers of Venezuela, The.....486
Lead and Zinc Region of Missouri and Kansas.....330
Letter from Pleasant Hill, Mo.....430
Letter from West Chester, Pa 429
Letter from Ft. McKavett.....103
Letter from Chihuahua..... 104
Letter from Prof. C. W. Pritchett.....564
Letter from New Mexico. 155
Letter from Prof. S. A. Maxwell.. 679
Life on the Planets.....474
Lovewell, J. T., Kansas Weather Service, 54, 120, 183, 249, 306, 314, 442, 500, 575, 625, 695, 757
Louisiana, First Geological Exploration in..... 679
Lykins, W. H. R., Kansas City Fossils...113

Mackay-Bennett Marine Cable.....448
Man of the Future, The.....161
Man, Origin of the White..... 166
Manner of Calculating True Time..... 44
Manufacture and Durability of Roofing-Slate.....669
Mason, Otis T., Notes from the Cradle of Civilization.....661
Mastodon Bones in Illinois.....351
Mastodon Remains in Missouri.....615
Mastodon, A Monster..... ... 567
Maxwell, S. A 678
McCarty, R. J., Meteors..... 91
Memory. 616
Memphis, Sewerage System of.....633
Meteors..... 91
Mexico, Railways in 383
Mines of Old Mexico..... 58
Mining Interests, Law Affecting 118
Missouri, History of Railroads in.....168
Missouri River Mounds from a Geological Standpoint 290
Missouri River, Age of. 25
Museum of Naples 389

Native Copper, Genesis of.....457
Nature Studies for the Young 10
New Mineral to Central Kansas 602
New Mexico, Letter from.....155
New Theory of Dew.....628
New Zealand, Transit of Venus in.....588

Ohio River, Prevention of the Floods of the.....740
Old Man of Hoy.....645
Old Maps 56, 114
Oration on Prof. Henry..... ... 3
Oregon, Explorations in Northeastern.....674
Oregon, The Fossil Fields of Southern....596
Origin and History of Money 316, 380
Origin of the White Man.....166
Overflows, Freshets and..... 231
Outlet, The Atchafalaya.....117

Palisa, Discovery of the Asteroid.....568
Panama Canal, Report on the 267
Panama Canal, Progress of the..... 743
Parker, Rev. J. D., The Bacon Philosophy.....261
Parker, Rev. J. D., Letter from Ft. McKavett.....103
Parker, Rev. J. D., History of the Kansas Academy of Science.....698
Parker, Rev. J. D., Practical Hints Regarding Tornadoes 357
Pasture-Lands in the Far West, Improvement of the.....186
Patents, Recent Improvements.. 510, 582 637, 704, 773
Paton, Prof. R. S. G., The Smoke Nuisance 477
Paving, The Question of Street....272, 543, 630, 631
Petroleum as an Insecticide.....447
Persepolis 382
Pere Hyacinthe and Catholicism 217
Phenomena of Metalliferous Deposits.....211
Philosophy.....223, 261, 553

Philosophy of Fluxes.....482
Philosophy, The Baconian.....261
Photography, Wonders of.....605
Photography of Sound Vibrations.....475
Physics.....177, 365, 396, 473, 551, 680
Piedras Pintadas of Colorado.....489
Pike's Peak, Electrical Phenomena upon 396
Planets, Life upon the.....474
Pluton Geysers of Colorado.....460
Portage Railroad, Alleghany, in 1833.....540
Porter, Pres't Noah, Oration on Professor Henry.....3
Potato, History of the.....75
Power of Vital Force in Germinating Seeds.....72
Power, Storage, of Wind.....269
Practical Hints Regarding Tornadoes.....359
Practical Art School for Women.....573
Prehistoric Remains in Southeast Missouri.....279
Prehistoric Immigrants.....279
Prehistoric Yankees.....649
Preservation of Wood from Decay.....80
Pritchett, Prof. C. W., Letter, on Sun-Glows.....564
Pritchett, H. S., Transit of Venus in New Zealand.....588
Proceedings of Societies.....1, 131, 284, 389, 461, 519, 616
Professor Espy, Sketch of life of.....311
Progress of American Archæology.....276
Progress of Artificial Lighting.....610
Progress of Science in 1882.....131
Prospectors, Geological Guide for.....282
Proteus, The Loss of the.....369
Public School Problem, The.....19
Putnam, Prof. F. W., Explorations of Altar Mounds.....32
Pyramid Builders, The Tools of the.....336
Rail-Birds, Sambo on the.....449
Re-appearance of Comet of 1812.....498
